

PROJECT FOCUS

To more effectively spread awareness and increase use of ACC's student resources and wrap around supports.

DELIVERABLE

A digital, student resource guidebook, including advice, how-to and decision tree activities that provides users with the necessary context for identifying their challenges or needs, seeking out appropriate interventions, and directions for accessing those interventions and resources

Austin Community College (ACC) is a nationally recognized two-year college. It serves Central Texas as the primary gateway to higher education and technical training. ACC's mission is to provide open door access to an affordable college education for those who want to earn a degree, learn a marketable skill, and advance their careers.
