

**PROJECT FOCUS**

To strengthen Athletes for Hope’s ability to measure and track its impact on its partners (e.g. children, hospital patients part of AFH FIT Hospital Heroes and Miracle Moments programs).

**DELIVERABLES**

- Partner-specific logic model
- Data collection plan outlining methods for tracking outputs, outcomes and indicators outlined in partner-specific logic model

Athletes for Hope (AFH) aims to educate, encourage, and assist athletes in their efforts to engage with community and charitable causes, to increase public awareness of and support for those efforts, and to inspire others to do the same. It empowers professional, Olympic, Paralympic and collegiate athletes to channel their energy for a common goal: to make the world a better place.
