

PROJECT FOCUS

To improve the teacher and camp counselor evaluation system for Camp Fire Central Texas.

DELIVERABLES

- Administration of Camp Fire teacher evaluation using the Youth Program Quality (YPQ) tool; synthesis of results
- Development of a shortened version of the YPQ teacher evaluation tool
- Development of a student interest survey

Camp Fire Central Texas (an affiliate of Camp Fire USA), delivers evidence-based, hands-on programming that builds healthy, resilient, responsible youth through active learning, outdoor experiences, service to the community and by engaging families. Through its programming it works to get local youth to be connected to, committed to and capable of preserving the natural environment.
