

PROJECT FOCUS

To improve the teacher evaluation system for Creative Action's Out of School Time (OST) program.

DELIVERABLES

- Revised evaluation tools including, development of a quick classroom observation form, a YPQ short form, and four YPG long forms that assess in different domains
- Infographic diagramming the revised evaluation process
- User manual outlining how to utilize the evaluation surveys and view and interpret results collected from the surveys

CONNECT FELLOWS

MASTERS CANDIDATES
 LBJ SCHOOL OF PUBLIC AFFAIRS

Creative Action's mission is to spark and support the academic, social, and emotional development of young people. All programming - school-based, out-of-school (OST), community-based and teen - is designed to help young people develop holistically - blending arts education and youth development.
