

PROJECT FOCUS

To improve Foster Angel's ability to assess its Guide to Thrive programs' effectiveness in providing financial and social support to young adults who are going to or who have already aged out of foster care.

DELIVERABLES

- Literature review on best practices to define key short- and long-term outcomes and metrics for foster youth programming
- Updated Bright Angels Scholar program logic model and survey
- Data tracking spreadsheet

The mission of Foster Angels Central Texas is to improve the lives of children in foster care ensuring each child has their basic needs met and providing life-enhancing, life-enriching opportunities whenever possible. It serves children in foster care through three main focus areas – fulfilling basic needs, providing access to activities, camps and special occasions, and supporting aging-out youth.
