PROJECT FOCUS

To convert Goodwill's time use data set into an interactive scenario planning tool using Tableau.

DELIVERABLE

Interactive scenario planning tool - a Tableau dashboard visualizing data collected from Goodwill clients about their availability and logistical barriers associated with attending programming

goodwill GOODWILL CENTRAL TEXAS

Goodwill Central Texas is a multi-dimensional, non-profit deeply entwined with business and job growth, the environment, and the overall spirit of Central Texas. Goodwill empowers more than 13,000 people each year, helping them fulfill their potential, improve the lives of their families, and contribute to the growth of the community.
