

PROJECT FOCUS

To examine outcomes related to graduation and refine data collection for future analysis.

DELIVERABLES

- Report summarizing methods and findings from analyses conducted on Goodwill Excel Center's enrollment and alumni survey data sets
- Gap analysis results and recommendations for improving future data collection
- Slide deck summarizing key takeaways from deliverable #1 (to be used for communicating findings with leadership and staff)

The Goodwill Excel Center is the first free public charter high school in Texas that provides adults ages 18-50 the opportunity to earn their high school diploma, complete an in-demand professional certification, and plan for post-secondary education.
