

**PROJECT FOCUS**

To determine the short- and long-term impact of Todos Juntos' programs.

**DELIVERABLES**

- Measurement and evaluation best practices matrix
- Updated organization-level logic model
- Data collection tracker – an excel spreadsheet designed specifically for collecting logic model-related data
- Updated adult survey (now including questions relevant to tracking outcomes defined in logic model)

Todos Juntos Learning Center provides an inclusive, dual-generation education program to break the cycle of poverty in Central Texas for non-English speaking families in order to create a successful, thriving community. Through educating both children and their parents, it creates an opportunity for the entire family to feel at home in their community, providing better educational outcomes for kids and a stronger path to career success for adults.
