

PROJECT FOCUS

.....

To strengthen Austin Together's ability to track, measure and communicate its impact.

KEY ACTIVITIES & DELIVERABLES

-
- Refined existing, as well as identified new, outcomes for measuring Austin Together's impact
 - Developed an organization-level logic model
 - Drafted updated versions of Austin Together's data collection tools, including a pre-engagement survey and four different versions of post-engagement surveys, to better align with outcomes outlined in its logic model

AUSTIN TOGETHER

Austin Together enables sustained collaborations that strengthen the nonprofit community to create better outcomes for Central Texans. Since its launch in 2020, it has made 27 grants to 40 organizations, helped explore 13 collaborations, and supported the implementation of four mergers.
