

PROJECT FOCUS

To better understand which of Goodwill Central Texas' support services and soft skills trainings are most impactful for its clients.

KEY ACTIVITIES & DELIVERABLES

- Merged program data into one data set; cleaned data set to reflect legible and relevant values for analyses
- Conducted various types of analyses (exploratory and regressions) to identify which programs and services produce the best outcomes for Goodwill clients
- Summarized findings, methodologies and reproducible code into a slide deck and final report

Goodwill Central Texas focuses on transforming generations by empowering people through education, career training, and work. It believes that education and work are the only true pathways out of poverty and strives to provide opportunities for people in the community who face obstacles to sustainable employment.
