

PROJECT FOCUS

.....

To conduct analysis on the most recent data collected from Prosperity Now's national Child Savings Account Practitioner survey.

KEY ACTIVITIES & DELIVERABLES

-
- Conducted analysis on Child Savings Account Practitioner survey response data set
 - Summarized findings from analysis into visuals and other forms of content to be included into Prosperity Now's annual state of the field report
 - Collaborated with PN team to develop a coverage map depicting the client population being served through Child Savings Accounts programs across the U.S.

Prosperity Now's mission is to build an economy that is just, fair and free from structural racism, where every person, family and community has the power to build sustainable wealth and prosperity. To achieve this, it creates, identifies, tests and amplifies new and existing systems-oriented solutions that address the root causes of inequity and racial economic injustice.
